

Greetings from the Seaton family,

We want to start by saying that we are truly blessed to be a part of Savannah Manor. It is an incredible ministry that helps hurting families break the cycle of poverty and provide a strong foundation for their children. My family and I have seen firsthand the work God is doing through this ministry and the people involved.

My wife and I have been board members of Savannah Smiles for a few years now and as the need for a new resident manager came open, my wife and I began to pray about stepping into this role. After much prayer and consideration, we felt the Lord leading us to use our experience in ministry to help families at the manor. We know God is giving us the opportunity to be a part of what He is doing to help families break the chains of poverty and to help them build a firm foundation for their future. We are excited about all God is doing in and through Savannah Manor, and we are truly humbled that we get to be a part of this ministry.

Please join us in praying for our families at the manor and pray for us that we would seek God and allow Him to guide our every step in helping these families.
